Trinity Lutheran School proclaims the love of Jesus Christ by partnering with parents to prepare students for this life and eternity.

Chapel Invitation - There is always an open invitation for parents and family to come join us for chapel on Fridays. It is a great opportunity to hear some student's play piano, sing a hymn and hear a wonderful message from Pastor or Mr. Wasser.

Academic Fair Preparations - We are now less than two weeks away from our Academic Fair. On Wednesday January 17th at 6 pm the students will be sharing information about somebody they researched in the first person. Come and learn about various historical figures.

Wasser's Receive a Call (Still deliberating) - Before Christmas Break, Mr. and Mrs. Wasser have received a call to teach at St. John's Lutheran School in Lomira, Wisconsin. They would love to hear any thoughts you may have, one way or another. If they do decide to accept their call, there will not be any changes this school year.

Basketball Concession Stand Help - Last week Mr. Wasser sent out an email asking for help with concessions, and scoreboard. If you are able to help, let Mr. Wasser know or sign up using the link in the email from last week.

End of the 2nd Quarter - This Friday will be the end of the Second Quarter. Look for report cards to come home on the 17th.

MLC Clinical Students - You may have noticed or heard about your child's Student Teacher(s) in their classrooms. Each of our classrooms has a Student Teacher learning and teaching for the next two weeks. If you see them, make sure to welcome them to Trinity!

Trinity Night at Minnesota Valley Lutheran High School - Due to the weather, the Trinity Night at MVL has changed to Thursday, February 15th. The boys play Wabasso this night and hopefully the weather will cooperate. All the next choices for games had conflicts with Trinity games but it looks like our home games will be done by 6 pm so hopefully you can make it to the Varsity game at 7:30 pm. The JV begins at 6 pm. Hold onto your tickets if you picked them up already. They are good for February 15th.

Chapel Missions— MVL Building on the Rock Campaign will be this fall's mission designation. Don't forget to bring your offerings to the Lord on Friday. \$433.34 will be sent to the MVL Building on the Rock Campaign for this first semester. Great job good and faithful servants! This next half of the year will go to the "Friends Network".

PREVIOUSLY IN THE UPPER GRADE CLASSROOM:

We welcomed to the classroom Miss Hueske and Miss Shobe. Miss Hueske will be primarily teaching Science and Miss Shobe will be leading Reading and English while she is with us. We are looking forward to their assistance in the classroom!

THIS WEEK IN THE UPPER GRADE CLASSROOM:

This is what we have coming up in some classes:

Math - Everybody will have a test on Wednesday and Thursday of this week.

Reading - We have started a new book in each of our classes. The 5th/6th graders are reading *Trumpet of the Swan* by E.B. White. The 8th graders are reading *Murder on the Orient Express* by Agatha Christie. We are looking forward to getting into these books!

Social Studies - We have wrapped up our class time for research and writing the report for the Academic Fair. Students should have it written by today to help manage the workload. This week, I will be sharing what their display board will look like as we get ready to present next week!

Finally, I have reached out to the Ronald McDonald house and am waiting to hear back from their Oak Creek location (separate and sole focus house). I am hoping that we can get a tour of the house and see what they do for their families that stay there. In addition to that, I plan on heading to the Capital and taking a tour of it as well. Once I set a date with the Ronald McDonald house, I will let you know.

If you have any questions, please reach out right away! Have a good week!

PRESCHOOL NEWS.....JANUARY 16-19, 2024

What We Are Learning:

Small Group: Our focus for this week will be on our 5 senses. We will explore each of our 5 senses by listening to different instruments, feeling different textures, smelling different spices, creating a tree, and talking about what things taste like.

Bible Story: Our Bible Story is about Jesus our Savior is born. In this story we are learning that Jesus loves us and came to earth to save us from sin. We believe that Jesus, true God and true man, is our Savior from sin. Therefore, we love Jesus most of all and thank him for being our Savior.

Bible verse: The Second Article of the Apostles' Creed "Jesus was born of the virgin Mary."

Music: We are learning our recitations and songs for our Christmas Service.

Movement: We will be moving our bodies to different Christmas songs.

If you have not sent in your child's gift for the gift exchange, please do so as soon as possible. Keep reading and record the books you have read to your child on the orange calendar. A calendar for January will be going home at the end of the week. There is an Early Dismissal at 12:50 on Friday with NO Aftercare. We will be meeting on Christmas Eve in the Preschool Classroom at 3:00. Please dress your child in church clothes. They will be sitting with me up in front during the service. You can get your child from the Fireside Room at the end of the service. Starting January 3-19 Miss Schneekloth and Miss Schroeder, Juniors from Martin Luther College, will join our classroom to observe and teach as part of their Clinical Experience. This year will be a little different as these two students will be here Monday- Friday for those two and a half weeks.

Listening to Miss Schneekloth read one of our stories *The Mitten*.
