Chapel Invitation - There is always an open invitation for parents and family to come join us for chapel on Fridays. It is a great opportunity to hear some student's play piano, sing a hymn and hear a wonderful message from Pastor or Mr. Wasser.

Wasser's Call Decision - As it was shared via email to everybody, we have declined our call to St. John's Lutheran School and will continue to serve here at Trinity. We want to thank all of you who shared your thoughts about our ministry here at Trinity and we look forward to continuing to serve as teachers and administrators at Trinity.

Kindergarten Round Up - The turn of the calendar means we start to plan for next year. One of those dates is our annual Kindergarten Round-up. This is an opportunity to talk with Mrs. Schudlach about the classroom, or discuss your student with her. If you have a student entering Kindergarten or anybody that you know that is looking at options for Kindergarten next year are invited to come. This year's event will be on Tuesday, February 6th at 6 pm. Mrs. Schudlach will be sending out invitations to our 4-year-old families soon, so look for those in their folders!

Rescheduled Trinity Night at MVL - Due to the weather, the Trinity Night at MVL has changed to Thursday, February 15th. The boys play Wabasso this night and hopefully the weather will cooperate. The JV begins at 6 pm & the Varsity is at 7:30 pm. Hold onto your tickets if you picked them up already. They are good for February 15th.

Chapel Missions— MVL Building on the Rock Campaign will be this fall's mission designation. Don't forget to bring your offerings to the Lord on Friday. \$433.34 will be sent to the MVL Building on the Rock Campaign for this first semester. Great job good and faithful servants! This next half of the year will go to the "Friends Network".

Mr. Wasser's News

Upper Grade's Section

PREVIOUSLY IN THE UPPER GRADE CLASSROOM:

We said farewell to Miss Schobe and Miss Hueske as they now start classes this week at MLC. We thank them for their time at Trinity and leading us through various classes. The students did a great job at the Academic fair last week and properly shared information about their person.

THIS WEEK IN THE UPPER GRADE CLASSROOM:

This is what we have coming up in some classes:

Math - Everybody will have a test on Monday and Tuesday this week.

Social Studies - The 7/8th graders are getting closer to our discussion of World War 1. We will look into the events that lead up to it, battles during, and how it ended.

Spelling - This week we have Lesson 17 and a test on Friday.

Religion - We will be starting up our student-led lessons for the next month or two. Each of the students will have two lessons they will be sharing with a partner. They have been working on these on and off and will be reminded when their lesson approaches.

I apologize for the late notice, there was a misunderstanding with last week's News and Notes, so I was not able to give a heads-up this way last week. We will be going to the Capitol and Ronald McDonald House this Wednesday. We will leave shortly after school starts and then be back before the end of the school day. First, we will drop off our tabs, and they will give a brief tour of their facility outside (age restrictions and health concerns do not permit us to go inside). Then, we will get to see their tab dumpster, and learn about what they do.

After that, we will head over to the capital for a tour of the building. Due to time constraints, students will need to bring a cold lunch. We will not have access to a microwave, so please plan accordingly. The more disposable items (bags, napkins, eating utensils, etc) the easier clean up will be. There may be a chance that eating while going from one location to the other may be necessary.

If you are interested in joining (again, my apologies for a short notice), please let me know. I do not have any extra space in my van but would be able to take all 7 of the students myself safely. If you do plan on coming, I would be able to split the class to give them a little more elbow room.

If you have any questions, please reach out right away! Have a good week!

3rd and 4th Grade Weekly News

Trinity Lutheran School

Jan. 22-26, 2024

Thank you for supporting your child in the history fair last week! They did a great job on their boards, costumes, and presentations!

We plan to do our MAP testing this week, so please make sure your child gets a good night sleep and eats a healthy breakfast.

Emmeryn is our star of the week this week!

Christ Light: Our stories this week are “God Gives Israel the Promised Land” and “The Israelites Turn Away from God”.

Reading: We will begin reading a new novel this week called “Mr. Popper’s Penguins”.

Math: 3rd grade will learn about angles, parallelograms, polygons, and congruent shapes; 4th grade will learn about division with two-digit numbers and a remainder, similar and congruent figures, and multiplying by multiples of 10.

English: We will learn about verb tenses and classify sentences.

Spelling: 3rd and 4th grade will review spelling patterns.

Social Studies: We will continue to learn about the midwest states.

SCHOOL IS GREAT! 😊

Miss Blauert and Mrs. Li teach the children
for Reading class. God's blessings! 😊

History / Art Fair - SUCCESS!

Everyone has a big smile, because it is GREAT to tell
about our HISTORY CHARACTER and display our Art
projects to our guests who came! 😊

The children did an awesome job giving God all the
glory for their talents, for the chance to know more
about another child of God in history, and for their
creative talents displayed in their art projects. 😊

Kindergarten News

January 22nd, 2024

The children did a great job at the Social Studies event! Enjoy the pictures.

Here are some things we are learning:

Christ Light: The Day the sun kept shining and Joshua says Good-bye. God can use his mighty power to help us when we have problems. God is faithful and wants us to be faithful to him all our lives.

Social Studies: Animals of North America.

Art: White Tree Branch Painting

Science: Motion, Speed, and Strength. How can you knock down a wall made of concrete?

Reading: We are working with Hot Rod, our racing superkid. We will make a book on things that move fast.

Supporting Learning at Home: New book bags will be coming home this week. Sal will be starting up again while we learn to write our addresses. Keep Reading! The children seem to really like these silly rhyming books. Thanks for your support!

Have you returned your Progress Report envelope yet?

Events:

February 6th: Kindergarten Roundup. Do you know of anyone that is entering Kindergarten next Fall? This evening is for them. The meeting starts at 6:00PM.

February 11th: We sing in church.

February 16th and 23rd: Early Dismissals

February 19th: No School, President's Day!

PRESCHOOL NEWS.....JANUARY 22-26, 2024

What We Are Learning:

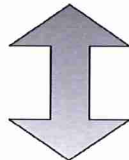

Small Group: Our KDI for this week will be focusing on our natural and physical world. We will be experimenting with ramps, bubbles, magnets, and building homes for animals.

Bible Story: Our Bible Story is about Jairus' daughter. In this story we are learning that Jesus showed his almighty power over death when he made Jairus' daughter alive again. We can feel unafraid of death because we know we will live with Jesus in heaven. Therefore, we want to tell others that death is not fearful for those who know Jesus as their Savior.

Bible verse: John 14:19b "Because I live, you also will live"

Music: We are learning about dynamics. We will practice loud and soft sounds while singing the song "This is What I Can Do.".

From Loud

To Soft

- *ff* Fortissimo
- *f* Forte
- *mf* Mezzo-Forte
- *mp* Mezzo-Piano
- *p* Piano
- *pp* Pianissimo

Movement: We are exploring how our bodies move using hoops while using them as our cars.

Please make sure your child has several pairs of extra socks and waterproof mittens. Keep reading and record the books you have read to your child on the orange calendar.

We predicted, experimented, and observed, and drew conclusions while making slime and mixing colors.
