Chapel Invitation - There is always an open invitation for parents and family to come join us for chapel on Fridays. It is a great opportunity to hear some student's play piano, sing a hymn and hear a wonderful message from Pastor or Mr. Wasser.

Lent Dinners - Thank you to all who helped the Kindergarten-2nd grade dinner on Wednesday. This week, the 3rd-8th graders will be serving tacos. Look for a sign up reminder if one has not already been sent. All items can be brought in on Wednesday. Any browned meat can be brought in Wednesday so it can get warmed up and seasoned.

Trinity Open House - On Tuesday, February 27th, we will be hosting our annual Open House from 5-7 pm. This is a great opportunity to talk with a teacher about the room, or even invite somebody to come check us out. Remember, that if you refer somebody, and they send their student to our school, you get a discount on your tuition for the year. We would love to see the school packed with people even if they are just looking around and want to see what the building is like.

Trinity Registration - It is hard to believe that we are already looking ahead to next school year! Last week we opened up registration to our current school families and church members for the 2024-2025 school year. This period (ending on March 4th) will strictly be open for those groups. After March 4th, we will open it to the public. This enrollment window is especially important for any Preschool families as we have limited space. Please get your Preschooler registered ASAP! If you have any questions, please talk to Mr. Wasser.

CEA Carnival Soliciting- With March upon us, it is time to hit the soliciting and planning hard for our annual Carnival fundraiser. The area that brings in the most money is our silent auction. We reach out to businesses in two phases. The first is sending out letters in late November. The second is hand delivering letters to businesses reminding them of this opportunity. There is a spreadsheet of businesses that we normally ask. If you want to help out by dropping off some letters or spending a couple of hours doing it, please let Mr. Wasser know. We are always looking for new businesses to get their name out so if you think of one that could be a good addition, please let Mr. Wasser know!

CEA Carnival Sign Up - Look in your emails for a sign up for this years carnival. We need lots of help to make this event a success. Areas include, setting up and tearing down, managing games, managing the prize table, assistance in the kitchen, and assisting the registration table. If you cannot help in those ways, you could bake a pie or another treat for the Pie Auction or bake sale, or donate an item or basket for the silent auction. Those that volunteer will also need to sign up for a shirt size as we are getting new volunteer shirts this year! If you have any questions, reach out to Heather Johnson, Samantha Tess, Mandi Russow, or Mr. Wasser.

Chapel Missions— We have started this semesters mission to “Friends Network”. So far we have collected \$121.01. We have a great start. Don't forget to bring your offerings to the Lord on Friday!

Mr. Wasser's News

Upper Grade's Section

PREVIOUSLY IN THE UPPER GRADE CLASSROOM:

It was a crazy but fun week. With sicknesses and spirit week, we got work done but each day was an adventure of its own. Other than that, it was a pretty mild week.

THIS WEEK IN THE UPPER GRADE CLASSROOM:

This is what we have coming up in some classes:

US History - We will be looking at the years between the wars including prohibition, the roaring 20s, and the beginning of the great depression.

Spelling - This week we have Lesson 22. There is a test on Friday this week.

MN History - We have wrapped up the previous chapter. Look for information about their essay for "What does it mean to be a Minnesotan?". I know this is a loaded question, but it gives them an opportunity to see how the answer is not as straightforward as they may think.

Math - Course 1 will have a test on Monday and Tuesday this week, while the rest of the class will have one on Tuesday and Wednesday.

Science - We will be wrapping up Chapter 19 in Science this week. They will need to look over key points and vocabulary for their test coming up. Start studying now so it will stick better when it comes time for the test!

5/6th English - They will be having a test on Wednesday this week.

Have a great week!
