The Pizza Ranch staff thanks everybody for their patience as this was one of the best (if not best) attended fundraiser they have seen in a long time. The students did an amazing job and represented their family, school, and Savior wonderfully.

Mr. Wasser's Call - If you did not see the email last week, Mr. Wasser has a call to be Principal and teacher at Trinity Lutheran School in Brillion, Wisconsin. He would love to talk to you about the call to Brillion as well as his current call at Trinity.

New Trinity Band App - We have a new resource to follow along with and get instant updates instead of Mr. Wasser's emails. If you already have the Band App downloaded but do not follow Trinity, talk to Mr. Wasser or Tiffany Hoffman to get you joined!

Trinity Google Photo Collection - If you have pictures from field trips, first day of school or anything else from this year, we would love to see it. Mr. Wasser has set up a Google Photos Album where parents can upload pictures that we can use for different purposes like social media (with permission), advertising (with permission), and our yearbook. If you need the link, talk to Mr. Wasser

Forensics Starting - Classrooms will start working on Forensic pieces for our Forensics night at Trinity. This is a great opportunity to work with your student in rehearsing public speaking.

Basketball Sign-Up - With the soccer season behind us, we look forward to our next season of Basketball and Cheer. Mr. Wasser sent a sign-up last week. If you have questions, please reach out! A calendar will go out at the beginning of November.

End of the First Quarter - We are wrapping up our first quarter on Friday. Look for report cards going home the next Wednesday in November.

No School Heads Up - As we look ahead to the calendar, we will not have school on Friday, November 1st. Go out and spend a little more time Trick-or-Treating the night before!

Parent Teacher Conference Sign Up - A sign up was sent out last week. Please have this filled out by Wednesday so we can send out the official schedule on Thursday.

Mr. Wasser's News

PREVIOUSLY IN THE UPPER GRADE CLASSROOM:

We wrapped up some tests and got caught up in economics. All the students are up to date with their income, bills, and rolls. Now that everybody is in a groove, we will have more time to get it done on Mondays.

THIS WEEK IN THE UPPER GRADE CLASSROOM:

Spelling - This week we will be working on Unit 8 with a test on Thursday.

Science - We are starting to look below the surface and talk about Plate Tectonics.

English - This week we will be focusing more on our Forensic pieces. We need to work hard to be ready for the School Forensics night and then the MLC forensics night a week after!

Reading - The 5/6th graders have finished the book, *Phantom Tollbooth*. *They will be working on a project to draw pictures on a map using their chromebooks. Students will not be taking them home unless they are not done by Wednesday night (They will be due Thursday).*

Religion and Catechism - With Miss Reedy coming in on Mondays, Wednesdays, and Fridays, I have switched 5/6th Catechism to Tuesday and Thursday with Religion. The 5/6th graders will have a test on lessons 1-10 in Catechism on Tuesday. A study guide was handed out on Thursday last week.

That sums it up for the classroom this week! Enjoy the shorter week and the longer weekend!

Notes from Mrs. Biedenbender: Thank you for bringing your child to sing with us in church this past Sunday! It was great to hear the children sing the story of the Reformation.

Our first quarter ends this week and you have probably noticed the email about parent-teacher conference sign ups for the following week. If you haven't been able to find a day or time that works for you, please let me know—I would be happy to work with you to find another time to meet!

Please note that we don't have school on Friday, November 1. Reading calendars will go home over the long weekend, so the children can begin their reading challenge (reading 300 minutes at home in November). As soon as they have met this goal, they should bring it back to school to be awarded a certificate for a free mini pizza from Nicollet Mart.
