In every prayer for all of you, I always pray with joy because of your pure and genuine faith from the first day until now, being confident of this, that he who begins a good work in you will carry it on to completion until the day of Christ Jesus.
Philippians 1:6

Trinity Lutheran School proclaims the love of Jesus Christ by partnering with parents to prepare students for this life and eternity.

Hot Lunch Menu : Week of **February 24:** Monday, Chicken Patty; Tuesday, Tater Tot Hotdish; Wednesday, Salad Pizza; Thursday, Nacho Bar; Friday: Pull Apart Pizza

Breakfast Menu: Monday, Mini-Cinni; Tuesday, Cereal Bar; Wednesday, Pop Tart;

Thursday, Graham Cracker; Friday, Mini Donuts. Every breakfast is served with fruit and milk.

Trinity Google Photo Collection - If you have pictures from field trips, first day of school or anything else from this year, we would love to see it. Mr. Wasser has set up a Google Photos Album where parents can upload pictures that we can use for different purposes like social media (with permission), advertising (with permission), and our yearbook. If you need the link, talk to Mr. Wasser.

No School - Next week on Friday (3/7), we will not have school. Enjoy the long weekend!

Pre-School Registration Open - We are about to open up registration for our last spot and the beginning of a waiting list (there may be room for a couple more Preschoolers). Mr. Wasser will send out an email when we do this so you can spread the word!

Literacy Night - This year, the staff is mixing it up for our annual open house. We will be hosting a literacy night that highlights a few authors. Each room is dedicated to an author and will have a reader, and an activity based on the author or their book. The event will go from 6-7 PM on Tuesday, March 4th. Invite your friends, as this is a great opportunity for them to see the building and talk with the teachers! We plan on having the older students read some of the books throughout the hour. A note will go home this week with more information.

CEA Carnival Soliciting - It is hard to believe that we are a little more than a month away from our annual Carnival! CEA has sent out letters to many local businesses but having an individual personally reach out and ask goes a long way with many places. We need many volunteers to do this! If you are interested, there are letters in the office that you can hand out to each business. If you go and hand out a letter, Mr. Wasser can share an electronic list that you can check off so we do not revisit a place. He will do everything he can to make sure that is up to date! The more people we have, the more items we can bid on for the auction!

Parent Information Night - There are many changes for the upcoming school year and the Trinity Board of Christian Education wants to share and discuss them with everybody in person. On March 20th at 6:30 pm, there will be a Trinity Parent information meeting that will go over the staffing changes, tuition, and potential enrollment procedures. The gym can be used for students to move around during the meeting. If you have any questions about this, feel free to reach out to Mr. Wasser.

Chapel Invitation - Come join us each week for chapel at 8 am on Fridays. We love to have visitors come and worship with us!

Chapel Missions—Mission monies will be going to London this Semester. \$115.73 was collected for this mission.

Classroom Connections

Mr. Wasser's News

PREVIOUSLY IN THE UPPER GRADE CLASSROOM:

What a week it was! Right after we get caught up and ready to move forward, our week threw us a curveball. The students did a great job of adjusting and staying on task. Thank you to all who helped their students dress up last week for the fun themed days!

THIS WEEK IN THE UPPER GRADE CLASSROOM:

This is what we have going on this week:

Science - We are starting our next chapter on erosion and how it affects the landscape. There will be many references to the Rapidan Dam along with pictures.

Spelling - This week we are going through Lesson 20 with a test on Friday.

MN History - This week, they will have a test on Chapter 10, our last chapter in Minnesota History for this school year. Mrs. LaGalo will then introduce Latin America as we will spend the next month or so on this region.

Social Studies - They will have a test on the Jackson Era on Wednesday.

This week is Mrs. LaGalo's last week with us at Trinity. The students will be planning on a party to say thank you for this Friday. They will let you know the details, as we have not planned them as of the writing of the news and notes. She will be continuing her experience at St. Peter Lutheran School in St. Peter in their 1st and 2nd grade classroom. We wish her God's Blessings on her experience and hope to continue to see her around!

That will be it for this week. As usual, if you have any concerns or questions, please let me know so we can discuss them! Have a great week and enjoy the warm weather!

3rd and 4th Grade Weekly News

Trinity Lutheran School

February 24-28, 2025

Our school's Literacy Night will be held next week on March 4, from 6-7pm. Since our read-aloud this past month has been "The Wild Robot" by Peter Brown, that will be the selection that any of our students are welcome to read to other kids visiting our classroom that evening.

On Wednesday, March 12, grades 3-8 will serve the Lenten supper for church, which will be a taco meal. Look for an email from Mr. Wasser in the next couple of weeks, to sign up if you are willing to donate food for the meal. We will also need students to help serve. Thanks in advance for your help!

Noah will be our star of the week this week!

Christ Light: Our stories this week are "The Three Servants" and "The Workers in the Vineyard".

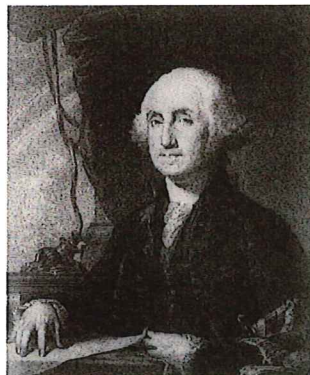

Reading: We will read stories in our basal reader this week about wolves.

Math: 3rd grade will learn about length: measuring in cm, m, and km; we will learn about weighing with grams and kg, and multiplying two-digit numbers; 4th grade will learn about symmetry, dividing with zeros in three-digit answers, and angle measures.

English: We are reviewing parts of speech. To help us learn the parts of a friendly letter, we wrote letters to a 3rd-4th grade class at a WELS school in Georgia!

Science: We will begin a new unit on energy. Our first lesson will be how our body is similar to a car!

Social Studies: We will learn about the structure of government, the three levels of government, and government service.

Happy birthday, George!

PRESCHOOL NEWS.....FEBRUARY 24-28, 2025

What We Are Learning:

Small Group: Our KDI for this week will be focusing on tools and technology. We will be working with different tools such as scissors, hole punches, and our board as well as how to use them.

Bible Story: Our Bible Story is about Jesus walking on water. In this story we are learning that Jesus taught his disciples to trust him in times of trouble. We can have confidence in Jesus' power and love as the Son of God and call on Jesus to help in times of trouble.

Bible verse: Psalm 50:15: "Call upon me in the day of trouble; I will deliver you.."

Music: We are learning about tempo. We will explore singing, moving, and playing instruments at different speeds while singing the song "Here We Go Around the Mulberry Bush."

Movement: We are using scarves to practice tossing and catching.

We have reached the end of February. March's reading calendars will be going home on Friday. March is the last month for filling out our reading calendars. Next Friday we will not have school.
