Hot Lunch Menu : Week of **March 3:** Monday, Chicken Patty; Tuesday, Pizza Pocket; Wednesday, Mac-n-cheese; Thursday, Sloppy Joe; Friday: Bosco Stick

Breakfast Menu: Monday, Pancakes Tuesday, Cereal ; Wednesday, Rice Krispie bar; Thursday, Nutrigrain bar; Friday , S'mores. Every breakfast is served with fruit and milk.

Trinity Google Photo Collection - If you have pictures from field trips, first day of school or anything else from this year, we would love to see it. Mr. Wasser has set up a Google Photos Album where parents can upload pictures that we can use for different purposes like social media (with permission), advertising (with permission), and our yearbook. If you need the link, talk to Mr. Wasser.

No School - This Friday, we will not have school. Enjoy the long weekend!

Pre-School Registration Open - Spread the word that our Preschool is filling up. We will be happy to build upon a waiting list in case we have the opportunity to bring in another student or two.

Literacy Night - This year, the staff is mixing it up for our annual open house. We will be hosting a literacy night that highlights a few authors. Each room is dedicated to an author and will have a reader, and an activity based on the author or their book. The event will go from 6-7 PM on Tuesday. Invite your friends, as this is a great opportunity for them to see the building and talk with the teachers!

CEA Carnival Soliciting - It is hard to believe that we are a little more than a month away from our annual Carnival! CEA has sent out letters to many local businesses but having an individual personally reach out and ask goes a long way with many places. We need many volunteers to do this! If you are interested, there are letters in the office that you can hand out to each business. If you go and hand out a letter, Mr. Wasser can share an electronic list that you can check off so we do not revisit a place. He will do everything he can to make sure that is up to date! The more people we have, the more items we can bid on for the auction!

Parent Information Night - There are many changes for the upcoming school year and the Trinity Board of Christian Education wants to share and discuss them with everybody in person. On March 20th at 6:30 pm, there will be a Trinity Parent information meeting that will go over the staffing changes, tuition, and potential enrollment procedures. The gym can be used for students to move around during the meeting. If you have any questions about this, feel free to reach out to Mr. Wasser.

Chapel Invitation - Come join us each week for chapel at 8 am on Fridays. We love to have visitors come and worship with us!

Chapel Missions—Mission monies will be going to London this Semester. \$131.22 was collected for this mission.

Classroom Connections

Mr. Wasser's News

PREVIOUSLY IN THE UPPER GRADE CLASSROOM:

We had to say good bye to Mrs. LaGalo last week. We are so thankful for her time and effort the past 6 weeks. We hope to see her around the next couple of weeks since she will be continuing her teaching experience at St. Peter's Lutheran School in St. Peter. We celebrated with a classroom party the students planned and "paid for" from their classroom bank.

THIS WEEK IN THE UPPER GRADE CLASSROOM:

This is what we have going on this week:

Spelling - This week we are going through Lesson 21 with a test on Thursday.

World History - The 5th and 6th graders have completed Minnesota History for this school year. We have now shifted our focus to World Studies. We will start by looking at Latin America. The students will have a map test on the countries at the end of this unit in addition to a country presentation. More information about both will be given to the students over the next week or two.

US History - We will be looking at how the new nation is creating an identity and building the "American Culture".

Math - They will have a test on Tuesday and Wednesday on Lessons 61-65.

Reading - The 7th graders have wrapped up Tuck Everlasting. They will be doing a project to wrap up the book, and we will be starting the next one next week.

5/6th English - They will have a test on Chapter 5 on Wednesday. We have talked about helping verbs, using *a* and *an* properly, as well as *coordinating conjunctions*.

That will be it for this week. As usual, if you have any concerns or questions, please let me know so we can discuss them! I hope to see you on Tuesday! Have a great week!
