Trinity Google Photo Collection - If you have pictures from field trips, first day of school or anything else from this year, we would love to see it. Mr. Wasser has set up a Google Photos Album where parents can upload pictures that we can use for different purposes like social media (with permission), advertising (with permission), and our yearbook. If you need the link, talk to Mr. Wasser.

CEA Carnival Soliciting - It is hard to believe that we are a little more than a month away from our annual Carnival! CEA has sent out letters to many local businesses, but having an individual personally reach out and ask goes a long way with many places. We require many volunteers to do this! If you are interested, there are letters in the office that you can hand out to each business. If you go and hand out a letter, Mr. Wasser can share an electronic list that you can check off so we do not revisit a place. He will do everything he can to make sure that is up-to-date! The more people we have, the more items we can bid on for the auction!

CEA Carnival Volunteers - If you are planning on helping during the carnival, or you plan on bringing something, there are sign up sheets by the church.

Parent Information Night - There are many changes for the upcoming school year and the Trinity Board of Christian Education wants to share and discuss them with everybody in person. This Thursday at 6:30 pm, there will be a Trinity Parent information meeting that will go over the staffing changes, tuition, and potential enrollment procedures. The gym can be used for students to move around during the meeting. If you have any questions about this, feel free to reach out to Mr. Wasser.

Entertainment Night Date Moved - The staff decided to move the entertainment night from Friday, May 2nd, to Thursday, May 8th. The time will still be at 5:30 pm as stated on the calendar. There are multiple events going on during the day and leading up to it, so we wanted to make sure everything will be ready. We apologize for any inconvenience but thank you for your flexibility.

End of 3rd Quarter - Last week marked the end of our 3rd quarter. Report cards will be going home this week.

Spring Break - A reminder that our Spring Break is scheduled for next week, March 24-28.

Chapel Invitation - Come join us each week for chapel at 8 am on Fridays. We love to have visitors come and worship with us!

Chapel Missions - Mission monies will be going to London this Semester. \$161.49 was collected for this mission.

Classroom Connections

Mr. Wasser's News

PREVIOUSLY IN THE UPPER GRADE CLASSROOM:

It is hard to believe that we are 3/4ths of the way through the school year. We were getting close to wrapping up books and chapters, so this week will be a study week with quizzes and tests. On the plus side, that would lead to little or no work over Spring Break!

THIS WEEK IN THE UPPER GRADE CLASSROOM:

This is what we have going on this week:

Spelling - This week we are going through Lesson 23 with a test on Friday.

US History - They will have a test on Tuesday about the Jackson Era on Wednesday.

World History - They will have a test on the history of major Latin American civilizations and settlements.

Reading - The 7th graders started a new book that is written in more of a poetry style than a typical chapter book. We will be using this opportunity to talk more about poetry. The 5/6th graders will be introduced to a new book this week. We will see if we get to start it before Spring Break.

Math - We will have a test on Tuesday and Wednesday this week on lessons 66-70.

Science - We will have a test on Friday on Erosion from chapter 8.

On Monday, I will be leading us in our annual statistics day in Math. We will apply basic theoretical statistics to try to predict a winner for the NCAA Men's Basketball tournament. Students will also have the opportunity to fill out their own bracket and compete against the other students in the school.

That will be it for this week. As usual, if you have any concerns or questions, please let me know so we can discuss them! I hope to see you on Thursday! Have a great week!
