Mr. Wasser has set up a Google Photos Album where parents can upload pictures that we can use for different purposes like social media (with permission), advertising (with permission), and our yearbook. If you need the link, talk to Mr. Wasser.

CEA Carnival Soliciting - Carnival is this Saturday. We can still use people to head out to different businesses. If you have some time this week, let Mr. Wasser know so he can get you an updated list or a link to the spreadsheet.

CEA Carnival Volunteers - If you are planning on helping during the carnival, or you plan on bringing something, there are sign up sheets by the church. If you know of any high schoolers who are able to help, we really need help managing games.

Entertainment Night Date Moved - The staff decided to move the entertainment night from Friday, May 2nd, to Thursday, May 8th. The time will still be at 5:30 pm as stated on the calendar. There are multiple events going on during the day and leading up to it, so we wanted to make sure everything will be ready. We apologize for any inconvenience, but thank you for your flexibility.

Parent Transport Day - On Thursday, April 17th we will have school along with an early release at 12:50 pm that day. Nicollet Public adjusted their calendar after ours came out and we plan on sticking to what we have down. I apologize for the inconvenience.

Students Sing in Church - On Sunday, April 13th the students will sing in the 9 am church service at Trinity. Students should meet in the fireside room at 8:45 am and wear their orange shirts. If you cannot make it, please let your child's teacher know so we can plan accordingly.

CEA Meeting and Family Night - CEA will be holding their next meeting on Wednesday, April 23rd at 6 pm. This meeting will focus on carnival, designating some funds for bigger projects, and the meeting and events calendar for next school year. If this day does not work for your schedule but you have some items to share or suggestions for a different meeting day of the week, feel free to reach out to Mr. Wasser, or Samantha Tess. Our next Family Night will be on April, 25th with more information to come.

Chapel Missions—Mission monies will be going to London this Semester. \$176.15 was collected for this mission.

Mr. Wasser's News

PREVIOUSLY IN THE UPPER GRADE CLASSROOM:

I pray that everybody had a blessed Spring Break and the students are ready to come back energized and ready to finish out the school year! We are about 2 months away from summer!

THIS WEEK IN THE UPPER GRADE CLASSROOM:

This is what we have going on this week:

Spelling - This week we are going through Lesson 24 with a test on Friday.

US History - We will be speeding through the next couple of chapters to fill in details but help get us ready to dive into the Civil War later this year.

World History - I will be handing out rubrics and expectations for a country presentation they will be working on coming up. Each student will select a country from Latin America and do some simple research on that country. They will take notes and create a presentation for the class. For extra credit, they are able to bring in a signature dish from their country and share with the class.

Reading - The 7th graders started a new book that is written in more of a poetry style than a typical chapter book. We will be using this opportunity to talk more about poetry. The 5/6th graders will be introduced to a new book this week.

Science - This week we will be discussing prehistoric times. We will not be spending a ton of time on this topic, but will iron out some misunderstandings about the different eras that the world classifies history into. Next week we will pick up with our regular work load.

On Friday this week, we will wrap up a few things in the classroom. After, we will be setting up for the carnival. This gives the students an opportunity to serve their school in a way they can be proud of. We will be setting up the stage, tables, chairs, and the fireside room for the silent auction.

That will be it for this week. As usual, if you have any concerns or questions, please let me know so we can discuss them! I hope to see you on Thursday! Have a great week!

3rd and 4th Grade Weekly News

Trinity Lutheran School

March 31-April 4, 2025

I hope your children had a restful Spring Break! Now that we are back into the swing of things (besides the early dismissals on Monday and Friday this week), we will begin to work in some musical practices. We are grateful to Mrs. Plocher who will be teaching us the choreography with our songs!

This Saturday, April 5, will be our school carnival. Our 3rd and 4th grade class will be putting together a charcuterie-themed gift basket for the silent auction. We already have a donation of various cheeses, so we welcome anything else you think would go along with that: wine, crackers, sausage, fruit or dried fruit, veggies, nuts, a platter or wooden cutting board, etc. If you are willing to donate items for this, please bring them to school by Friday, April 4. Thank you in advance for your donations, and if you are helping with the carnival in any way!

The following—Sunday, April 13—the school children will sing in church.

Jordan is our star of the week this week!

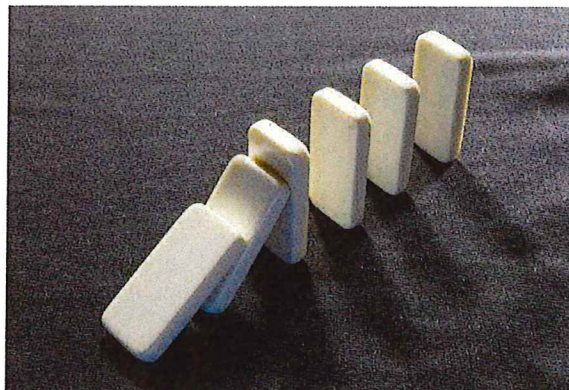

Christ Light: Our stories this week are “Peter’s Denial” and “Jesus Before Pilate”.
