Mr. Wasser's News

PREVIOUSLY IN THE UPPER GRADE CLASSROOM:

We adjusted to the entertainment night practice calendar this week. For the next couple of weeks our schedule will not be consistent. I will do my best to keep up with everything. The students did an awesome job helping set up for carnival on Friday. Their efforts paid off as the rest of setting up went smoothly.

THIS WEEK IN THE UPPER GRADE CLASSROOM:

This is what we have going on this week:

Spelling - This week we are going through Lesson 25 with a test on Friday.

US History - We will be speeding through the next couple of chapters to fill in details but help get us ready to dive into the Civil War later this year.

World History - I will be handing out rubrics and expectations for a country presentation they will be working on coming up. Each student will select a country from Latin America and do some simple research on that country. They will take notes and create a presentation for the class. For extra credit, they are able to bring in a signature dish from their country and share with the class.

Reading - The 5th/6th graders started their new book, *Call of the Wild*, last week. For this book, we are focusing summarizing while also discussing key aspects and these of the book. They were given a journal to keep and work on throughout the book.

Science - This week we will be discussing prehistoric times. We will not be spending a ton of time on this topic, but will iron out some misunderstandings about the different eras that the world classifies history into. Next week we will pick up with our regular work load.

That will be it for this week. As usual, if you have any concerns or questions, please let me know so we can discuss them! Have a great week!

What We Are Learning:

Small Group: Our KDI for this week will be focusing on alphabetic knowledge. We will identify, create, and write our letters using shaving cream, white boards, and wiki sticks.

Bible Story: Our Bible Story is about Jesus in the Garden of Gethsemane. In this story we are learning that Jesus prayed that his Father's will would be done. We trust that God answers all our prayers in the way he knows is best for us. Therefore, we can pray with boldness and confidence that the Father's will is done.

Bible verse: Mark 10:45: "The Son of Man did not come to be served, but to serve, and to give his life."

Music: We are working on our songs and actions for our play on Entertainment Night.

Movement: We are moving our bodies while using balloons.

Welcome to a quieter week! On Sunday, we will be singing in church. Please have your child wear their orange Trinity shirt and meet in the Fireside Room at 8:45. Next Thursday (4/17) we will have an Early Dismissal at 12:50. Because Nicollet Public does not have school that day there will be no bussing or Hot Lunch. There will be Aftercare. There is No School next Friday (4/18) or the following Monday (4/21) for Easter.
